

**URS - Declaration of impartiality:**

URS policy is to ensure that actual and perceived presence of objectivity is maintained at all times with everything we do.

URS and all representatives will remain objective and that means that conflicts of interest do not exist or are resolved so as not to adversely influence subsequent activities of the certification body. URS will not violate this policy in any manner or form.

Other terms that are useful in URS conveying the element of impartiality are: objectivity, independence, freedom from conflict of interests, freedom from bias, lack of prejudice, neutrality, fairness, open-mindedness, even-handedness, detachment, and balance.

We will remain honest and ensure integrity to the accreditation requirements through assessment of our auditors, customers, any outside suppliers and affiliations and/or memberships.

Sincerely,
